Hi Kevin,

I hope this email finds you well!

My name is Rachel and I'm a reporter with Seven Days covering opportunities and challenges in Vermont's small towns.

I'm currently working on a story covering some interesting items to be voted on on this upcoming town meeting day. I'll be including the Bristol's item to approve Lincoln's withdrawal from the Mount Abraham Unified District. I saw that you are both a member of the Mount Abraham Unified District school board, and the Bristol Planning & Zoning Commission.

I am wondering if you might have time to chat early next week about this topic? Thanks so much for taking the time to consider this request!

All the best,
Rachel

Rachel,

Thanks for reaching out on this important issue.

For the School District - Please follow up with our Superintendent Patrick Reen (Patrick.Reen@mausd.org) for the District's perspective.

For the Bristol Planning Commission - Our Town Plan draws out the need for town support of the Mt Abe School District's operation generally by providing representatives to the School Board and voting on School District issues as presented to the electorate. The Planning Commission's current focus is reviewing Zoning By-Laws specific to housing in our Village Center to assure the best use of Village Center housing given the current demand.
