**Subject:** BRIC 2022 Submitted- SUCCESS

It is with great joy that I can confirm that VEM has officially submitted all BRIC 2022 Applications to FEMA!  
Now, we wait.

We anticipate we will not hear about awards before August 2023. We also anticipate FEMA will send out some RFI's (Request for Information) late this summer as needed. We will let you know if there any questions.

Hope you all can take a deep breath, except I am sure you are already on to the next item on your to-do list.

Thank you,

Lisa M. Kolb
