Hi all,

My understanding was that this was written and submitted by Helen Young in mid-Feb. At our BCC meeting this Thursday, Kristen Underwood explained that there is a form that you need to fill out with the town before submitting a grant. In good faith, no one else on the commission had heard of the rule before. So, my understanding is that, for full transparency, Helen submitted the form to you just now.

I made your wishes known about the No Mow May stuff at the meeting and plan to email you about that. I'm sorry, but I have been out of town all weekend and am now very busy catching-up at work. I'll try to loop you into that conversation in the next few days when I have a chance, but the point is that the grant application to Neat Repeats was written in mid-Feb, before we discussed Eagle Park as a serious option.

Hi Carolyn,

Thought we were going to do no mow at Eagle Park? Attached is a grant request to Neat Repeats for signage of No Mow May for Sycamore Park.
