Bristol Sidewalk Inventory Saturday- Update?

As you know, I am working with a group of Middlebury students to develop and complete a sidewalk inventory for Bristol. We have tried to recruit volunteers from the walk/bike council to help us with the inventory this weekend but have not had a good response rate from their chair. I am wondering if you or any of your connections might be interested in helping us for a few hours on Saturday. We will be meeting at the green at 10:30am and plan to wrap up over pizza around 2pm. All you would need is a good pair of walking shoes and a smartphone if you have one.

If we don't get the inventory done this weekend we may look to next weekend for another round and would welcome help at that time as well.

Thank you,

Maddison Shropshire
