Subject: April 10 Selectboard Human Power Parade

Hi Valerie,

We are working out the route details for the Human Power Parade for May 13 at the BRC from 10-1 with the parade at 11:00am. We do not want to cross North Street as that is a major intersection and safety concern. We will be ready to present the route and safety plan on April 10. It would take 3 minutes to present.

Thank you,
Meridith
