KEEPING DOWNTOWN BRISTOL VIBRANT

April 3, 2023

To: Valerie Capels and Bristol Selectboard Members,

On behalf of Bristol CORE, I would like to respectfully request permission from the Selectboard to block off Main Street from the traffic light to the east entrance to Shaw's parking lot (next to the National Bank of Middlebury) on Saturday, June 17 from 1:00 pm to 9:00 pm. for the 11th Annual **Pocock Rocks Music Festival and Street Fair** (includes set-up and take down time).

Bristol CORE will work with Chief Nason on all traffic control-related issues before and on the event day.

We would be happy to hear any suggestions you may have to improve the event in 2023.

Thank you for your consideration of this matter.

Sincerely,

Ian Albinson
