Action taken by Health Officer: Julie was walking east on Choineuse Rd; she was cautious, passing #159 because that dog ("Cash") had run out and barked at her previously. When she passed #159 on 11/5, "Cash" ran out and bit her on her (L) leg. The dog hit her with such force that it knocked her down to the ground. 11/10 Plc to Julie. She was not seen by an M.D., she reports "not feeling safe walking by the house." She also says her husband was bitten on the arm in 2022 spring (did not break the skin).

Comments: 11/14/22 "Cash" not registered with Bristol Town.
