Valerie,

This is a quote from USA Bluebook for an industry standard portable composite sampler at a cost of \$2,295.14 w/ shipping. A link to the full item on their website is included below.

<https://www.usabluebook.com/global-water-ws700-composite-portable-sampler-2-5-28990>

Please let me know what needs to be done to procure this for manhole sampling of connected users. I'd propose making a capital purchase of this "equipment".

Jill Marsano
Owner/President
VTUMS Vermont Utility Management Services, LLC
