**Cc:** Will Elwell  
**Subject:** Bristol Rescue - Selectboard meeting

Hi Valerie,

Sharon mentioned that you can help us to be added as an agenda item for the 28 August Selectboard meeting. Chief Elwell and I would like to have a few minutes to brief the Selectboard on the use of the ARPA Funds allotment to Bristol Rescue Squad, and present the fruits of our labor, our new ambulance, Bristol A2. We are also open to addressing any questions or concerns folks may have.

Bristol Rescue Squad is forever grateful to the town for their contributions and support of our mission to provide medical services to our community.
