WHEREAS, it is contemplated that Lots 2, 5, 6, and 7 will obtain water service from an upgraded municipal water line off of Pine Street, so-called; and

WHEREAS, the Lot Owners agree to allow the existing water lines to remain in use in their current locations until such time as new lines can be installed (generally from each such lot and along Lawson Lane, so-called or directly from a lot) to connect to a new water main along Pine Street, so-called.

NOW THEREFORE, in consideration of the mutual promises contained herein, the receipt and sufficiency of which is hereby acknowledged, the Covenants are hereby amended as follows:

- 1. The Lot Owners hereby grant temporary easements for the existing water lines. The easements shall each be ten feet (10') wide and shall be centered on the centerline of each existing water line. The easements shall run from the existing water line shut off valves located in the vicinity of the westerly edge of Liberty Street, so-called, and shall run across Lots 2, 3, 4 and 5 and service lots 2,5,6, and 7 to Lawson Lane. Said easement areas run along the southerly boundary of Lots 3 and 2, across the northwesterly corner of Lot 4 and along the northerly boundary of Lot 5 to Lawson Lane (hereinafter the "Easement Area").
2. Lots 2, 5, 6 and 7 shall have the benefit of the said easements for the purposes of repair, replacement and maintenance of existing water lines to their respective properties. Said water lines are generally depicted on the Site Plan prepared by LaRose Surveys entitled "A Site Plan Showing Lands of D. Lot Owner(s) agree that when any construction takes place within the Easement Area, the Lot Owner(s) performing the work shall return the surface of the Easement Area (including but not limited to, grass, landscaping, trees, etc.) and any other property disturbed by the Lot Owner(s) to its condition prior to such construction.
4. The easements and rights contained herein are subject to a condition that once the Town of Bristol upgrades the water line (or lines) along Pine Street, so-called, to the westerly edge of

the right of way of Lawson Lane, so-called, to allow water service to Lots 2, 5, 6, and 7, lot Owners 2, 5, 6 and 7 shall connect to the Town of Bristol's municipal water system along Lawson Lane to said Pine Street (in the case of Lot 2, the connection shall be directly from Lot 2 to said water system along said Pine Street), so-called, water line (or lines) and shall discontinue the use of the existing water lines (from Liberty Street, so-called), at which time the aforesaid easements burdening Lots 2, 3, 4, and 5 shall be automatically extinguished. Lot Owners 2, 5, 6 and 7 shall connect to the Town of Bristol's municipal water system within 60 days from the completion date of the Pine Street water line(s) upgrade, unless circumstances reasonably beyond the control of said Lot Owners, prevent such time frame. In such event, the work shall be completed as soon as reasonably practicable thereafter.

5. Once Lot Owners 2, 5, 6 and 7 have connected to the Town of Bristol's municipal water system via the Pine Street water line, each such Lot Owner shall submit to the State of Vermont, District Environmental Commission, 111 West Street, Essex Junction, VT 05452, a statement from the appropriate Town of Bristol official indicating their compliance with said connection to the Town's municipal water system.

6. The Lot Owners and their successors in title agree to sign all additional necessary documentation to effectuate the terms and provisions of this Declaration.

7. The above Covenants are intended to bring the Hammond Subdivision in compliance with State of Vermont Act 250 Permit #9A0301 dated March 24, 2005, and recorded in Book 114 at Page 412 of the Bristol Land Records, together with any amendments thereto (hereinafter "Act 250 Permit").

8. Once Lot Owners 2, 5, 6 and 7 connect to the Town of Bristol's municipal water system on Pine Street, the existing water lines may remain where they are located under Lots 2, 3, 4, and 5, but will be shut off and disconnected from the Town's Liberty Street water main.

9. These Covenants are intended to run with the land and shall only be amended as allowed by the Act 250 Permit, Vermont law and by the terms of said Covenants.

10. The parties hereby execute this document for themselves, their heirs, successors and assigns.

11. Except as amended hereby, the Covenants remain unchanged and in full force and effect.
