Gymnastics Assistant Coach

The Bristol Recreation Department offers a well-regarded recreational gymnastics program for many years. With the current success of the program, we are continuing to look for an enthusiastic, patient, reliable individual to assist our experienced lead teacher. Instructor's hours are

Saturdays, 9:45-4:30pm to allow for set-up and breakdown of equipment.
Hours may vary depending upon enrollment.

Our ideal candidate has previous experience as a gymnast and working with children 3-12 years old. The ability to perform basic gymnastics skills and experience with classroom management is a plus. The position requires setting up and breaking down equipment, as well as hands-on spotting of students. Training on how to set-up equipment and spot students will be provided. A full background check required.

If you refer someone who coaches for the whole season, then you will be awarded a \$100 Bristol Recreation Gift Card!
