Gymnastics Assistant Coach

The Bristol Recreation Department offers a well-regarded recreational gymnastics program for many years. With the current success of the program, we are continuing to look for an enthusiastic, patient, reliable individual to assist our experienced lead teacher. Instructor's hours are Saturdays, 9:45-4:30pm to allow for set-up and breakdown of equipment.

Hours may vary depending upon enrollment.

Our ideal candidate has previous experience as a gymnast and working with children 3-12 years old. The ability to perform basic gymnastics skills and experience with classroom management is a plus. The position requires setting up and breaking down equipment, as well as hands-on spotting of students. Knowledge of body dynamics for safe lifting is critical, as well as the ability to assist/lift students and equipment weighing over 100 pounds. Training on how to set-up equipment and spot students will be provided. A full background check required.

Hourly rate of pay dependent upon background and experience \$14-18/hour.

Saturdays from 9:45-4:30pm, November -June

If you refer someone who coaches for the whole season, then you will be awarded a \$100 Bristol Recreation Gift Card!

Home Heat Transfer Event

What: The Bristol Energy Committee in collaboration with the Vermont Energy Education Program (VEEP) will host a family friendly workshop entitled Home Heat Transfer.

When and Where: Will take place at Howden Hall in Bristol on October 28 from 10am - 12pm.

The first 20 people to attend the workshop will receive an LED shop light.
