Church Event on Town Green Permit #: 1412 for Erin Bent This is a public event with people along the middle sidewalk acting out the events of the first Christmas. The public will be escorted along the story line in small groups by 2 guides starting every ten minutes. There could be 20-25 people going through at a time in groups of 5-8. Small firepits are positioned along the route for warmth and atmosphere. The pits are manned and not left alone. They are removed from the park at the end of the event. As for animals, right now it looks like 2 mini donkeys and maybe a rabbit. Last year we assembled a small corral and the animals had a person with them at all times. Last year they were alpacas. This event is a joint one with several area churches, the First Baptist, St. Ambrose, Federated and Bristol Christian Fellowship. I hope this answers your questions. Nancy	\$0.00	\$0.00	\$0.00	\$0.00
