Subject: Membership on the Addison County Regional Planning Commission

Dear Selectboard Chairs and Town Managers and Administrators:

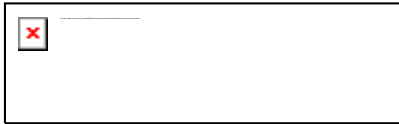

Thank you for your community's participation on the Addison County Regional Planning Commission. We appreciate your nominating volunteers to serve on behalf of your community. We hope they come away feeling fulfilled and contributing to their community because of their service. I am writing today, because I also note that your community has at least one unfilled Delegate or Alternate slot. We would really appreciate your continuing to try to complete your representation. A full slate of delegates and alternates helps us reach quorum. More importantly, it provides a broader and more representative commission to help plan for the regional community's future and ensures that your community is fully represented at our meetings.

Thank you for looking into this issue with us. If we can help in any way, please call me. I am happy to speak. We look forward to our continued and strengthened relationship with your community.

Best,

Adam Lougee,
Executive Director
