Subject: Library trustee appointment

Agenda Item VII.1

Good afternoon,

So, a library board trustee has stepped down immediately from the board for personal reasons leaving a second vacancy. The board of trustees is submitting a name to the selectboard to vote on at their next meeting.

Elyssa Boisselle would be filling the immediate vacancy and will then run for the position full time in the spring election.

Like our last trustee appointee, Elizabeth, Elyssa's name goes before the board for approval. All trustee applicants have met with remaining board members and were interviewed last month.

Thank you for adding this to your agenda.
