Hi Brett,

Sorry for the late reply.

I'm going to step down as a firefighter due to the upcoming job move, house sale, etc...

Thank you for the opportunity to provide this service to our community. This organization is great and I very much appreciate the time and effort you, Eric, Kevin and the rest of the men and women firefighters have put into making the Bristol Fire Department one of the best in Vermont 😊.

Take care my friend and I hope you, Erin and Ella have a great Holiday season and Christmas.

Best,

Kerrin

Hi Kerrin,

I hope this email finds you well. The purpose of this email is to inquire whether or not you have intentions of returning to the Bristol Fire Department? You are currently on an approved leave of absence that is valid through 12/31/23. As I am beginning to look at reorganizing the FD, possibly consolidating the number of Companies, I am wondering if I should include you in my overall numbers? You have said you will be moving to California and your house is currently on the market but I'm not sure if you have any moving plans yet?

If your current plan is to exercise your leave of absence in its entirety, that is of course absolutely fine. If you have already made the decision not to return to active status, could you let me know? If you are undecided at this time, please disregard this email and I will reconnect with you in December.

Thank you,
-Brett
