We are writing to express our heartfelt appreciation for the Town of Bristol's Voter Approved Funds contribution of \$1,400 to John Graham Housing & Services (JGHS), a nonprofit organization. We want to assure you that your donation is greatly appreciated and will be put to good use. This letter also confirms that JGHS did not provide any goods or services in exchange for your contribution.

At JGHS, our mission is to provide emergency shelter, affordable housing, and other critical services to those facing housing instability. We serve a diverse population that includes individuals and families impacted by domestic violence, substance use and mental health disorders, economic hardship, and physical disability. Your donation will help us strengthen our efforts to support those in need and promote resilience and hope.

JGHS has seven properties spread across Addison County, where we offer both emergency shelter and affordable housing for low-income households. Our success in achieving our mission is due in part to our intensive service coordination at three critical access points—homeless prevention, eviction prevention, and rapid rehousing.

On behalf of the JGHS Board of Directors, our dedicated staff, and those we serve, we want to extend our deepest gratitude for your donation. Your support helps us continue to make a meaningful difference in the lives of those we serve.

Thank you again for your kindness and generosity.

Sincerely,

Susan Whitmore  
Executive Director
