John,

I'm so sorry to hear that you need to resign from BCC and that you are dealing with health issues. I'd like to express our sincere gratitude for your contributions to BCC during your time here - we've enjoyed having you as part of our team! I hope we'll see you around town, but don't be a stranger. If you are feeling up to it, all our meetings are public and we'd welcome your contributions!

Best wishes,

Carolyn

Hello BCC,

I'm sorry to have missed the last couple of BCC meetings. I'm dealing with some health issues that prevent me from being as active as I'd like with the commission. I don't want my absence to affect quorums and the ability of the commission to take actions; therefore I feel I should resign effective today. You have a number of exciting projects going forward. It has been a pleasure to work with folks committed to appreciating and enhancing Bristol's natural resources.

Regards, John
