Monday Night Volleyball

New this summer! We are offering [Monday night volleyball](#), hosted at the BES gymnasium. For just \$20 for the season, you can get a great workout, meet new friends, and have a blast! No volleyball on June 24th or July 15th.

Do You Want to Help Conservation Efforts in Bristol?

The Bristol Conservation Commission (BCC) has an opening for a new member!

We are a group of Bristol residents working to conserve Bristol's natural and cultural heritage and raise public awareness for these resources.

Joining the BCC is a great (and easy way) to get involved with the town since we only meet once a month from 6-7:30 on the second Thursday in the Holley Hall conference room with a zoom option. We are currently working on a wildlife corridor project with Middlebury College students, assisting with increasing accessibility in the town parks, wrapping up No Mow May/Green Up Day, park management/maintenance, etc.

If you're interested, please feel free to attend or send me an email at thecarolyndash@gmail.com

Wheels Camp

Due to last minute cancellations, we have a few spots available in the Hub Wheels Camp. If you know someone who is interested, please reach out to Taylor at Hubdirector@bristolvt.org.

5 Town Riders

Registration now open! In partnership with the Bristol Recreation Department, [5 Town Riders](#) is a central community cycling club that aims to support youth riders (5th-12th Grade) as they develop individual bike skills in a team-focused environment. We offer skills training and trail rides in a group setting from June - October.

*** JOB OPPORTUNITY ***

BRD is seeking motivated individuals to join our **summer swim instructor** staff. We will provide training! If interested, please email recdirector@bristolvt.org or call (802) 453-5885.
