Why are you interested? I want to join the conversations and efforts to create safety for cyclists, walkers, all pedestrians and drivers in the area. I came to Bristol to lead bicycle tours in 1981 and found it a beautiful area for recreation, living + working.

What skills do you bring to the volunteer position? I understand both pedestrian and driver needs since I do both and I care very much that we all understand each others' needs + be skilled at navigating our shared and adjacent travel ways. I'm a strong

vocal advocate for bikers, walkers + drivers following rules + being careful, using signals + bright colors + lights when appropriate.
