Subject: Memorial Plaque Request for Megan Thomas

Select Board Members,

I am writing to request your consideration and approval for the installation of a memorial plaque on one of the benches I recently rebuilt that reside in front of Holley Hall. This bench would serve as a tribute to my dear friend, Megan Thomas, who tragically passed away in mid-November.

Megan was a beloved and dedicated member of our Bristol community for many years. She worked at the Bobcat Café for a significant period, more recently at Smoke & Lola's, and perhaps most importantly, at the Lawrence Memorial Library. Her contributions to the community were immeasurable, and her sudden passing has left a profound impact on all of us who knew her.

I began rebuilding these benches shortly after hearing of Megan's passing, and the project has been a way for me to channel my grief into something meaningful. I would be deeply honored to dedicate one of these benches to Megan, not only to commemorate her life and service to our town but also as a gesture of remembrance for her family and friends.

I sincerely hope you will consider this request for approval, and I am happy to discuss further details as needed. Thank you for your time and consideration.

Best,

Aidan Lenihan
Program Coordinator
