Hi James,

I was not aware of your application until your message below. Thank you for following up. We just recently received the comments from DPW. This will be tee'd up for the Selectboard's Dec. 30 agenda.

Thank you,

Subject: Request for update on Right-of-Way and Access Permit for property near 139 North Street

Hello,

In October I turned in a request for Right-of-Way and Access Permit for the property next door to (and formerly part of) 139 North Street on behalf of Marthe and Steven Bryant.

Eric Coda and I went out to the site together a few weeks ago to evaluate the driveway positioning (because of a potential conflict with a storm drain).

I think the next step was approval by the Selectboard, but I haven't heard any updates

since. We'll be doing the work a little later now, likely in early spring.

Thanks,
James Cole
