Good afternoon Ian. I'm lining up the annual inspections which need to be done during the month of April. Valerie would always ask for a formal agreement each year so the Selectboard had an opportunity to review/approve. I'm approaching this with the same mindset.

I have not changed the proposed costs, just revised the dates to reflect 2025 and obviously swapped your name for Valerie's. Let me know if you want to discuss or have any questions?

Thank you.

Steve
