Addison County Energy Navigators
Vermont Energy Education Program

Home Energy Conservation Workshop

June 18, 6-8 p.m.
Holley Hall, Bristol
FREE

Making Your Energy Upgrades Just Got Easier!

There are ways to use less energy, save money, reduce your impact on the environment, and improve your comfort and health!

The Vermont Energy Education Program (VEEP) and Addison County's Energy Navigators are teaming up to introduce you to a variety of home energy project options and connect you with financial resources for making the transition to a clean energy future. Join us for this informative and inspiring event!

energynavigators.org
