

VLCT & REGIONAL
PLANNING COMMISSIONS
PRESENT

REGIONAL SELECTBOARD MEET-UPS

VLCT and regional planning commissions (RPCs) are pleased to host regional opportunities for selectboard members, city councilors, and village trustees to meet each other, network, and share about their successes and challenges. Events will be held in different counties throughout the state at either midday or in the evening, and complimentary refreshments will be served. The locations, date and time for your region is shown to the right. VLCT and RPC staff will be on hand to facilitate discussions of successes and challenges, provide updates, and answer questions.

Each meet-up is an informal networking opportunity for all town and city governing board members in the county(-ies) where it is held.

Attending can help you

- *Get acquainted with your counterparts in municipalities in your county*
- *Add a region-wide perspective to issues facing your local government*
- *Consider how intermunicipal cooperation could benefit your community and neighbors*
- *Deepen your rapport with your regional planning commission and VLCT*

Addison County Regional Planning Commission

14 Seminary Street
Middlebury, VT 05753

802-388-3141
