One Drive Folder (command click to open the link): [Backshore](#)

- I. Public Forum
  - a. xx
- II. Quarterly Initiatives and Grants
  - a. CD: Application of the town to the state of Vermont for project to create a scoping study that will rec south side west street holly hall to maple street (creamy stand). Letter of support from the committee to attach with the application. Cris drafted a letter. Application Due June 16.
  - b. CD: Second ask from the select board to submit a formal ask for an accessible pedestrian signal, north / pleasant street. North street intersection is the sole focus. Similar to what as installed near east street and west street from the hub to fire station.
  - c. CD: reminder that they're planning to replace pine street, mid-late summer. People have been sending traffic calming ideas. Experienced traffic calming streets with similar traffic to pine street in Burlington, advisory lanes, industrial parkway not wide enough o
- III. Adjourn – 7:19 PM
