

Local Emergency Management Plan Municipal Adoption Form

The Local Emergency Management Plan (LEMP) must be (re)adopted annually, after town meeting day, and submitted to the appropriate Vermont Emergency Management (VEM) Regional Coordinator by June 1st.

If VEM needs to contact municipal leaders to determine status and support requirements during an emergency, the Emergency Management Director (EMD) and two other local points of contact who should have authoritative local information and authority to request resources are listed at right.

VEM will share the town's contact information with emergency partners who have a life safety need during an emergency.

☐ Mark this box to request Vermont Emergency Management not share the town's contact information with emergency partners (Dam owners, utility providers, elected officials, neighboring EMDs, American Red Cross, FEMA) outside of an emergency.
