

Bristol Energy Committee

July 15, 2026 Meeting

7:00pm by Zoom

Attendees: Ben Skolozdra (BEC), Dan Batten (BEC), David Flaschenriem (BEC), Carl Engvall (member of the public)

1. Citizen Comments/Concerns
 - a. None
2. Approve Agenda
 - a. No comments or changes
3. Approve June Meeting Minutes
 - a. No comments or changes
4. Planning Commission Crossover - Enhanced Energy Plan Implementation Tasks
 - a. Next planning commission meeting is Tuesday 7/21. Ben to attend and be ready to discuss Enhanced Energy Plan Implementation Tasks.
5. Holly Hall & Library MERP Update
 - a. No photo album updates since June.
 - b. Pop-up library is open at 74 Munsill Ave in Bristol.
 - c. No on-site weekly meetings in a while. There was a brief meeting a couple weeks ago to discuss mechanical equipment.
 - d. Per David, as of the end of July 4 week most of Holly Hall drywall should have been finished. Construction progress is going well as far as we know. There is added scope that may linger but the base scope is progressing.
 - e. Old radiators are being put back in due to redundancy.
 - f. Library remediation requires all the books to be removed. Based on expected timeline, this added scope may be close to being finished. The remediation has affected the library's overall schedule.
 - g. Next meeting will be held on Friday 17 July 2026.
6. Addison County Energy Navigators Funding Call
 - a. Carl is here and he can engage Mike Roy about the funding language and advise on talking points for BEC to use when talking to the public.
 - b. Carl will coordinate with Mike.

- c. Carl is also here to talk a bit about what Energy Navigators does and he can be our point person in Bristol, specifically.
- d. Carl can do navigations: investigate existing home insulation, R-values for attic or basements, understanding homeowner desires for comfort and energy usage savings. Talk with homeowners about air sealing, insulation, window ideas.
- e. Bridge the gap between homeowners and Efficiency VT for rebates.
- f. Energy Navigators would like to generate a list of curated and vetted contractors in Addison County. Looking for input from local people, like BEC.
- g. Looking for solar installers, heat pump installers, heat pump water heaters, electricians, insulation contractors, etc.
- h. David has a list he can send to Carl. carl@energynavigators.org
- i. David asking if Carl knows of any Energy Navigations in Bristol in the past? Not sure but Carl will look into it.

7. EV Chargers - Level 2

- a. Ian working on coordinating with Pomerlau.

8. ToolShip

- a. August 10, 2026 farmers market. Need to talk to Bristol Farmers Market about establishing a spot. We need a tent and a table as well.

9. AllEarth Renewables Site Tour

- a. Wednesday July 22, 2026 @ 9am

10. Pocock Rocks

- a. Bristol CORE reached out about a free table. Probably not a great fit for us and what we do.

11. Legislative & Community Updates

- a. None at this time.

12. Other Business

- a. None
