Chief Brett LaRose
Bristol Fire Department
P.O. Box 249
Bristol, VT 05443

Chief LaRose,

Please accept this letter as formal notification that I am resigning from my position as a Probationary Firefighter with the Bristol Fire Department, effective July 31, 2026.

With regret, I must submit this resignation due to the demands of continuing my education as a medical professional. Because of my academic schedule and commitments, I am unable to fulfill the requirement of obtaining the Firefighter 1 certification necessary to maintain employment as a paid-call firefighter for the Town of Bristol.

I deeply appreciate the opportunity to have served with the department over the past two years, even in a limited capacity. My experiences here and my exposure to the work that firefighters perform on any given day have been both admirable and inspiring. Thank you for your leadership and for the valuable insights I will carry forward into my medical career.

I wish you and the entire department continued safety and success.

Sincerely,

[REDACTED]

Koby LaRose
Probationary Firefighter
