RE: Bristol West Water: Oct 22 Tie-In, West & Maple Traffic

Bristol West Waterline Replacement: Traffic Changes for the October 22 Tie-In

On Thursday, October 22, the crew will connect the new water main on Maple Street to the existing main on West Street. The work requires the following traffic changes for the day.

West Street

The westbound lane at Maple Street will be closed. Traffic will alternate in one lane, with flaggers and signs on site. Expect delays on West Street during the day.

Maple Street

Closed to all but local residents from Church Street to West Street. Residents in that section will still have access to their homes.

Water Shutoff

The water shutoff notice for October 22, posted October 15, still applies to the streets it lists. Residents affected by the boil water notice will receive a written reminder from the Water Department on their door or in their mailbox.

Questions or concerns can be directed to Greg Faust, Town Administrator, at TownAdmin@BristolVT.org or (802) 453-2410.

Thank you for your continued patience as we replace Bristol's water infrastructure.
