The Planning Commission is engaged in drafting changes to the Town's By-Laws that will bring Bristol's zoning ordinances into conformity with the new Town Plan. Our deliberations are organized around the Rural/Agricultural, Rural Conservation, and Village Planning Areas. We concluded our initial deliberations on the Rural/Agricultural Planning Area at our May 21st meeting, and tonight we will continue our deliberations on the Rural Conservation Planning Area. Adam Lougee of the Addison County Regional Planning Commission will continue to serve as the Planning Commission's consultant in this process.

Public comments regarding the Rural Conservation Planning Area will be called for at an appropriate juncture during the deliberations. We will hear public comments on other topics of concern at the conclusion of our evening's deliberations.

Our next meeting is scheduled for November 19th, 2013 at 7pm.
