**Subject:** Invitation to September emergency prep conversations

Dear Emergency Managers of Addison County,

September is National Preparedness month, and I want to take a moment to thank you for your commitment to emergency preparedness, response and hazard mitigation.

If you are available, feel free to swing by one of these September conversations so that I can thank you in person and you can share thoughts about how ACRPC and VEM can be of assistance to you. Please join me at:

- Sept 10, Tuesday 10-11am- Halfway House in Shoreham
- Sept 16, Monday 2-3pm- Bristol Cliffs Cafe in Bristol
- Sept 20, Friday 12:30-1:30pm- Waybury Inn in East Middlebury
- Sept 26, Thursday 1-2pm- Good Day Café in Vergennes

Feel free to invite others that are engaged in emergency preparedness for your town, or may be interested in becoming more involved.

Thanks and I hope to see you there.

Sincerely,

Andrew L'Roe
