RE: Select Board Appointment
Date: September 11, 2019

All concerned,

Please allow this letter to serve as a formal letter of interest for the vacant Select Board position. I, and my family love the town of Bristol and we have personal and satisfying experience with the Select Board. I wish to be considered as I believe that my experience at personnel, project, safety and business management will allow me to be a great asset and excellent team member to compliment the great board members that we already have.

Thank you for your consideration.

Yours very truly,

William C. (Bill) Mount
