Dear Valerie,

Thank you for your interest in pursuing a transportation planning study through the Addison County Regional Planning Commission. We had a very competitive suite of proposals this year and I am pleased to inform you that your project to improve pedestrian access along 116 between Lover's Lane and Airport Drive was selected for funding in the amount of \$20,000. I look forward to working with you to develop your project. I will be in touch within the next few weeks to consult on development of a request for proposals for the project.

Best,

Mike Winslow
