Subject: FW: Update on Recreation Survey

We have the most updated survey for the Rec Department and is ready to go out with your blessing. Or should this be approved from the Select Board? This is the survey we had brought to the SB at this time last year, but the school semester ended before we could get it out to the public.

Hi Meridith,

We have finished the online version of the survey and have activated the link so that you can look at it before we start sending it out to the community! Please let us know once the SELECT board has approved the survey so that can get start distributing them as soon as possible!

Thank you Survey Team!
Would love to see the survey out to the public and see the information so we can gauge what the community wants.

Subject: Update on Recreation Survey

Hi Meredith,

We hope that you've had a good week so far. We just wanted to update you about the status of the survey for the rec department. We have finished making the edits and have a hard copy word doc and an online survey link ready to go. The word doc is attached to this email and we can send you the limesurvey link once we activate it for use. Please let us know if you need anything else from us at this time!

Best,

The Survey Team
