## TOWN OF BRISTOL — MEMORANDUM

**TO:** Church Street and Pleasant Street Residents
**FROM:** Greg Faust, Town Administrator
**DATE:** November 17, 2026
**RE:** Bristol West Water: Church & Pleasant St Boil Lifted

### Boil Water Notice Lifted: Church Street and Pleasant Street

The boil water notice issued November 16 for Church Street and for Pleasant Street homes on the old water main has been lifted.

Two water samples collected on November 16 were tested by a certified lab and came back clean. Water on these streets is safe to drink, and no further precautions are needed.

#### Air and Discoloration

You can see some air or discoloration in your water for a short time.

- Run a cold water faucet until the air and discoloration are gone.
- Do not wash white laundry until the water is clear.

With this notice lifted, there are no boil water notices currently in effect for the Bristol West waterline project.

Questions or concerns can be directed to Greg Faust, Town Administrator, at TownAdmin@BristolVT.org or (802) 453-2410.

Thank you for your continued patience as we replace Bristol's water infrastructure.
